C

Cardiac distress
  Code Blue Protocol Test, 207
  impact of inservice education on institution of triage protocols, 189
Case management
  development of acute care case manager orientation, 266
  orientation program for hospital-based dual case manager and educator role, 77
Certified nurse aides, simulation game: a tool for staff development and its effects on staff behavioral outcomes (*Focus*), 223
Clinical nurse specialist, an outside consultant for staff development, 137
Code Blue Protocol Test, 207
Collaboration, collaboration between pharmacy and nursing staff development (*Focus*), 46
Community hospital
  development of acute care case manager orientation, 266
  pain management staff development, 119
Community nursing, hospital-community job exchange: an innovative nursing staff development experiment (*Focus*), 226
Competency
  competency based evaluation (*Focus*), 44
  ensuring staff competency in use of powered patient care equipment (*Focus*), 37
Computer technology
  audiographics teleconferencing, 13
  bedside computer training plan, 33
  clinical information system transition, 309
Continuing education
  action research applied to a preceptorship program, 193
  advance directives, implementing effective staff education, 126
  an outside consultant for staff development, 137
  audiographics teleconferencing, 13
  development of culturally appropriate health education materials, 19
  development of student nurse coordinator role: a shared decision making process, 73
  educating the ethics committee, 255
  effectiveness of medication calculation enhancement methods with nurses, 293
  elder abuse, 7
  environmental protection through waste management, 67
  impact of inservice education on institution of triage protocols, 189
  innovative teaching strategy for staff development departments, 183
  integration of unlicensed assistive personnel using an "expanding our skills" workshop, 243

knowledge retention, teaching strategy and, 249
level of literacy in nurses aide population, 149
orientation program for hospital-based dual case manager and educator role, 77
pain, role play, and videotape: pain management staff development, 119
patient/family education program: making the project management process operational, 303
Continuous quality improvement/total quality management concepts, introduction to staff nurses via educational model, 144
Critical care nursing
Code Blue Protocol Test, 207
professional advancement model for critical care orientation, 88
Critical thinking ability, relationship between critical thinking and self-concept, influence on nursing practice, 272
Cultural sensitivity
advance directives, 126
development of culturally appropriate health education materials, 19
transcultural nursing, 218

D

Decision making
Code Blue Protocol Test, 207
shared, 73
use of focus groups to assist in design and implementation of new nursing practice model, 83
Diabetes Basic Knowledge Test, staff nurses' actual knowledge of diabetes mellitus, 93
Diabetes mellitus, staff nurses' perceptions of knowledge and actual level of knowledge, 93
Diabetes Self-Report Tool, staff nurses' perceptions of knowledge of diabetes mellitus, 93
Discharge planning, innovative teaching strategy for staff development departments, 183
Drug therapy, effectiveness of medication calculation enhancement methods with nurses, 293

E

Education. *See also* Continuing education; Patient education
aggressive behavior management program, effects on nurses' levels of knowledge, confidence, and safety, 260
bedside computer training plan, 33
clinical information system transition, 309
Code Blue Protocol Test, 207
development of acute care case manager orientation, 266
ensuring staff competency in use of powered patient care equipment (*Focus*), 37
implementing a staff education program in pain management, lessons learned, 24
influence of critical thinking and self-concept on nursing practice, 272
introduction of continuous quality improvement/total quality management concepts to staff nurses, 144
modification of personality hardiness in staff nurses, 212
nurse extern program, evaluation, 132
professional advancement model for critical care orientation, 88
redesigning the role of the centralized educator (*Focus*), 279
remedial action program: systematic approach to correcting performance problems (*Focus*), 105
simulation game: a tool for staff development and its effects on staff behavioral outcomes (*Focus*), 223
stimulating peers to publish, writer's workshop, 314
systematic plan for nurse educator development (*Focus*), 99
word games as cost-effective and innovative inservice method (*Focus*), 155
Emergency room nurse, impact of inservice education on institution of triage protocols, 189
Environmental health, environmental protection through waste management, 67
Ethical issues
advance directives, 126
educating the ethics committee, 255
Externships, evaluation, 132

F

Family issues
advance directives, 126
patient/family education program, 303
Focus
collaboration between pharmacy and nursing staff development, 46
competency based evaluation, 44
ensuring staff competency in use of powered patient care equipment, 37
evaluation of an orientation system for newly employed registered nurses, 163
hospital-community job exchange: an innovative nursing staff development experiment, 226
redesigning the role of the centralized educator, 279
remedial action program: systematic approach to correcting performance problems, 105
simulation game: a tool for staff development and its effects on staff behavioral outcomes, 223
systematic plan for nurse educator development, 99
tips for novice grantseeker: implications for staff development specialists, 160
word games as cost-effective and innovative inservice method, 155
Focus groups, use of focus groups to assist in design and implementation of new nursing practice model, 83

G

Geriatric population, elder abuse, 7
Grant proposals, tips for novice grantseeker: implications for staff development specialists (*Focus*), 160

H

Hardiness, modification of personality hardiness in staff nurses, 212
Humor, innovative teaching strategy for staff development departments, 183

L

Learning needs assessment, collaboration between pharmacist and staff development instructor (*Focus*), 46
Legal issues, advance directives, 126
Literacy, level of literacy in nurses aide population, 149

M

Media review
"A+ Test Manager and Test Taker Professional Development Software," P Brown & ED Brown, Professional Development Software, Inc., 286

"Physical Assessment for Nurses," a 10-video series, MTA Productions, 109109
"The Robey Group's D.S.D. System Critique," J Trotti, The Robey Group Computer Division, 233
Mental health care, hospital-community job exchange: an innovative nursing staff development experiment (*Focus*), 226
Multiskilled (multifunctional) workers, implementation of, 51

N

Nurse case manager/educator, 77
Nurse educator
an outside consultant for staff development, 137
in competency based evaluation (*Focus*), 44
modification of personality hardiness in staff nurses, 212
Nurse's aide. *See also* Certified nurse aides
level of literacy in nurses aide population, 149

O

Obstetric technician, integration of unlicensed assistive personnel using an "expanding our skills" workshop, 243
Oncology nursing, an outside consultant for staff development, 137
Orientation
action research applied to a preceptorship program, 193
critical care, professional advancement model for, 88
development of acute care case manager orientation, 266
ethics committee, 255
evaluation of an orientation system for newly employed registered nurses (*Focus*), 163
orientation program for hospital-based dual case manager and educator role, 77

P

Pain management
implementing a staff education program in pain management, lessons learned, 24
pain, role play, and videotape: pain management staff development, 119
Patient care assistant (PCA), 51
Patient care technician (PCT), 51
Patient education
development of culturally appropriate health education materials, 19
patient/family education program: making the project management process operational, 303
Patient Self-Determination Act of 1990, 126
Peer review, effect on professionalism, autonomy, and accountability, 198
Pharmacy department, collaboration between pharmacist and staff development instructor (*Focus*), 46
Physical assessment, impact of inservice education, 189
Powered patient care equipment, ensuring staff competency in use of (*Focus*), 37
Preceptors, action research applied to a preceptorship program, 193
Problem-solving, remedial action program: systematic approach to correcting performance problems (*Focus*), 105
Professionalism
effect of peer review, 198
nurse externship and, 132
Project management process, patient/family education program, 303
Psychiatric nursing, hospital-community job exchange: an innovative nursing staff development experiment (*Focus*), 226

Q

Quality improvement, introduction of continuous quality improvement/total quality management concepts to staff nurses, 144

R

Registered nurse
Code Blue Protocol Test, 207
effectiveness of medication calculation enhancement methods, 293
evaluation of an orientation system for newly employed registered nurses (*Focus*), 163
stimulating peers to publish, 314
Research
evaluating the implementation of multiskilled (multifunctional) workers, 51
use of focus groups to assist in design and implementation of new nursing practice model, 83
Role playing, pain, role play, and videotape: pain management staff development, 119

S

Safety issues, aggressive behavior management program, effects on nurses' levels of knowledge, confidence, and safety, 260
Self-concept, relationship between critical thinking and self-concept, influence on nursing practice, 272
Simulation game, a tool for staff development and its effects on staff behavioral outcomes (*Focus*), 223
Staff development educator
in audiographics teleconferencing, 13
bedside computer training plan, 33
collaboration between pharmacist and staff development instructor (*Focus*), 46

development of culturally appropriate health education materials, 19
effectiveness of medication calculation enhancement methods with nurses, 293
implementing a staff education program in pain management, lessons learned, 24
implementing effective staff education on advance directives, 126
innovative teaching strategy for, 183
literacy deficits in nurses aide population, 149
in medical waste management education, 67
redesigning the role of the centralized educator (*Focus*), 279
remedial action program: systematic approach to correcting performance problems (*Focus*), 105
stimulating peers to publish, 314
systematic plan for nurse educator development (*Focus*), 99
teaching strategies and knowledge retention, 249
Staff development specialist, tips for novice grantseeker (*Focus*), 160
Staff nurse
action research applied to a preceptorship program, 193
introduction to continuous quality improvement/total quality management concepts via educational model, 144
pain, role play, and videotape: pain management staff development, 119
perceptions of knowledge and actual level of knowledge of diabetes mellitus, 93
personality hardiness, modification of, 212
relationship between critical thinking and self-concept, influence on nursing practice, 272
Staff turnover/retention, modification of personality hardiness in staff nurses, 212
Student nurse, externship, evaluation, 132
Student nurse coordinator, 73

T

Teleconferencing, audiographics teleconferencing, 13
Transcultural nursing, source guide, 218
Triage, protocols for, impact of inservice education on institution of, 189

U

Unlicensed assistive personnel, integration of unlicensed assistive personnel using an "expanding our skills" workshop, 243

V

Videotapes. *See also* Media review
development of culturally appropriate health education materials, 19
Violence in workplace, aggressive behavior management program, effects on nurses' levels of knowledge, confidence, and safety, 260

W

Waste management, environmental protection through waste management, 67
Word games, cost-effective and innovative inservice method (*Focus*), 155

STATEMENT OF OWNERSHIP, MANAGEMENT AND CIRCULATION (Act of August 12, 1970: Section 3685, Title 39 United States Code) Date of Filing—October 1, 1997, Title of Publication—Journal of Nursing Staff Development; Frequency of Issue—Bimonthly; Annual Subscription Price—$62.00; Location of Known Office of Publication—Lippincott-Raven Publishers, 12107 Insurance Way, Hagerstown, MD 21740; Location of the Headquarters or General Business Offices of the Publisher—Lippincott-Raven Publishers, 227 East Washington Square, Philadelphia, PA 19106; Publisher—Lippincott-Raven Publishers, 227 East Washington Square, Philadelphia, PA 19106; Editor—Belinda E. Puetz, PhD, RN, 437 Twin Bay Drive, Pensacola, FL 32534; Managing Editor—Elizabeth V. Neff, Lippincott-Raven Publishers, 227 East Washington Square, Philadelphia, PA 19106; Owner—Lippincott-Raven Publishers, 227 East Washington Square, Philadelphia, PA 19106; Wolters Kluwer, US, 1185 Avenue of the Americas, New York, NY 10036; Wolters Kluwer nv (owns 100% of stock), Stadouderskade 1, 1054 FS Amsterdam, The Netherlands; Known Bondholders, Mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities—None. A. Total no. copies printed (*net press run*), average 4,767, actual 4,600; B. Paid circulation—None. Sales through dealers and carriers, street vendors and counter sales, average None, actual None; 2. Mail subscriptions, average 3,562, actual 3,320; C. Total paid circulation, average 3,562, actual 3,320; D. Free distribution by mail (*samples, complimentary, and other free*), average 214, actual 174; E. Free distribution outside the mail (*carriers or other means*), average None, actual None; F. Total free distribution, average 214, actual 174; G. Total distribution, average 3,776, actual 3,494; H. Copies not distributed 1. Office use, leftovers, spoiled, average 991, actual 1,106. 2. Return from news agents, average None, actual None; I. Total, average 4,767, actual 4,600; Percent paid and/or requested circulation, average 94%, actual 95%. I certify that the statements made by me above are correct and complete. Beverly V. Dietrich, Circulation Director.
